

JUST THE FACTS

Enriching People's Lives

The Republic of Tea enriches people's lives through premium teas and herbs, education and innovation. Founded in 1992, The Republic of Tea sparked a tea revolution in America, emphasizing a 'Sip by Sip Rather Than Gulp by Gulp' lifestyle.

Ministers, Citizens, Ambassadors and Embassies

In keeping with its whimsical identity as an independent republic, The Republic of Tea designates its employees as Ministers, sales representatives as Ambassadors, customers are Citizens and sales outlets are Embassies.

Leading Purveyor of Premium Teas

Based in Larkspur, California, The Republic of Tea is a progressive and socially conscious business recognized for being the leading purveyor of more than 350 all-natural premium teas and herbs, tea honey, nature-inspired teaware and a collection of unsweetened, premium glass-bottled iced teas crafted for fine restaurants and hotels as well as specialty retailers.

Tea and Herb Innovations

Known for its innovative and award-winning packaging, The Republic of Tea's distinguished teas and herbs are packaged in specially designed air-tight tins or recyclable PET canisters containing either full-leaf loose teas, ground teas and herbs, or the brand's signature round, unbleached tea bags, free of unnecessary strings, tags or staples. Naturally decaffeinated (using a pure CO₂ method) varieties are also available. All full-leaf and bagged teas are Certified Gluten-Free by the Gluten-Free Certification Organization (GFCO).

Tea Capsules

The Republic of Tea's Tea Capsules, available in U•Matcha Green Tea and Chai Latte, are compatible with original Nespresso machines. The U•Matcha Green Tea Capsules deliver ceremonial-style matcha tea at the push of a button! No measuring or whisking needed for a bright jade cup that is fresh, frothy and delightful with all the health benefits green tea has to offer. Sip and enjoy the smooth, velvet texture and rich, grassy springtime flavor. The new and improved Chai Latte Capsules pairs oatmilk and the essence of chai spices with premium black tea, producing a delicious, frothy cup in just seconds. Indulge with a dollop of whipped cream on top or for a refreshing alternative, pour over ice.

Bridgerton Teas

Each of these all-natural calorie-free, gluten-free teas are inspired by the award-winning Netflix TV series, Bridgerton, which has entranced millions of viewers and become a global phenomenon. The collection is comprised of delicious options: Queen's Cake Vanilla Fruit Tea, Featherington Blood Orange Mimosa Tea, Anthony & Kate Spiced Chai, Duke and Duchess Honey Breakfast Tea, Whistledown Punch Hibiscus Iced Tea, and Bridgerton Newton Ginger Biscuit.

Organic SuperDigest Tea® Collection

The Republic of Tea is the only tea brand to combine premium, organic, fermented ingredients with a stated quantity of probiotics. Uniquely, each tea bag in the organic SuperDigest Tea® collection contains one billion colony forming units (CFUs) of a probiotic called Bacillus subtilis, which is shelf- and heat-stable, tested at 100°C up to 15 minutes. The SuperDigest Tea® Collection comes in five delicious flavors, including Hibiscus Beet Ginger, Honeybush Vanilla Turmeric, Cacao Cinnamon Pu-Erh Tea, Green Pu-Erh Tea and Aronia Elderberry Rooibos.

Organic Single Sips®

The Republic of Tea's organic Single Sips; U•Matcha Single Sips®, Turmeric Single Sips, Apple Cider Vinegar Single Sips, Detox Greens Single Sips™, Apple Cider Vinegar Pineapple Coconut, Hydration Watermelon Single Sips and Hydration Blue Berry Lime; allow Citizens to blend premium, organic herbs, roots and teas easily and conveniently, whether at home or on the go. The U•Matcha Single Sips and Turmeric Single Sips can be enjoyed hot, iced or even mixed into a smoothie, yogurt or oatmeal. The Apple Cider Vinegar Single Sips, Hydration Watermelon and Daily Greens Single Sips can be enjoyed iced or even sprinkled over fruit or sorbet. Add the USDA Certified Organic Single Sips directly to a bottle of cold water and shake, or simply stir into hot water.

Organic SuperAdapt™ Teas

This collection of five delicious blends feature adaptogens, a category of healing herbs that people have used for centuries to help handle occasional stress. Adapting to what you need, adaptogens can either calm or lift your energy; The Republic of Tea blends complementary herbs and spices with each adaptogen for a balanced and palate-pleasing cup. The collection includes Stress Suppress Restore and Reset, Hormone Harmony, Burnout Blocker and Clarity and Calm organic SuperAdapt teas.

Beautifying Botanicals® Teas

The Republic of Tea's exclusive Beautifying Botanicals herbal teas are made with all-natural ingredients like blueberry, chamomile, rose hips, lavender and other adaptogens designed to help you and your skin glow. **Daily Beauty** contains blueberries for added antioxidants plus soothing lavender. A cup a day makes an ideal addition to your daily beauty ritual. **Beauty Sleep** contains calming chamomile and aromatic rose. Indulge in a bedtime sip that will get you ready for an easy night's rest. **Beauty Brain®** is a multi-function herbal tea for radiant skin and mind; the caffeine-free proprietary blend contains botanicals known for their beneficial antioxidants, along with unique herbs that can help support cognitive health.* **Clean Beauty®** is a gentle, detoxing coral-hued herbal infusion featuring delightful berry and citrus notes. **Berry Aloe Iced Tea** and **Blueberry Lavender Daily Beauty Iced Tea** are refreshing and nourishing iced tea blends that your skin will love.

Organic SuperGreen Teas

The organic SuperGreen Tea collection artfully blends organic matcha, green tea leaves and functional herbs to create four flavorful varieties that may contribute to a healthy lifestyle by boosting the immune system, improving cognitive function, and aiding in relaxation and weight loss.* Unlike many medicinal teas, the organic SuperGreen Teas are superior in taste, inviting tea drinkers to enjoy the certified organic blends sip by sip as a part of their daily wellness routines. The five organic SuperGreen Tea varieties - Immunity, Brain Boost, Serenity, Lean Green, and Detox Green - each present a unique and enjoyable taste profile and varying health benefits developed using some of today's most sought-after herbs from ginkgo biloba and black currant to garcinia cambogia and lavender.

Gift Teas

The Republic of Tea's new Gift Teas collection offer Citizens the opportunity to send a message of well-wishes and appreciation 'Sip by Sip' with personalized teas for special occasions. Borrowing flavors from some of its Citizens' favorite teas, The Republic of Tea's Gift Teas are the ideal treat to delight and inspire tea drinkers everywhere. Gift Tea blends include the CELEBRATE With a Cuppa Cake Tea, THANKS You're a Peach Tea, MOM You're the Berry Best Tea, THINKING OF YOU Tea and Enjoy a Cup of CHEER Tea.

Sonoma Teas

The Sonoma Teas collection represents a new concept in an herbal tea blend. The appreciation of Sonoma County's renowned vineyards has been previously relegated only to wine enthusiasts. With the introduction of this new tea collection, everyone can now enjoy a refreshing beverage that showcases the best qualities and flavors from fine wine grape skins. Free of caffeine, alcohol, and calories, Sonoma Teas are a wonderful alternative to high calorie soft drinks and sugary juices. The fine wine grape skins used in the Sonoma Teas collection also contain antioxidants, which contribute to a diverse and healthy diet. The collection showcases three varieties for iced tea, the Sonoma Chardonnay, Sonoma Rosé, and Sonoma Cabernet. Similar to wine, the four offerings in the Sonoma Tea collection impart unique and identifying characteristics.

100% White Teas

Authentic 100% white tea only grows in the majestic mountains of China's Fujian Province. Tender white downy buds are hand-plucked just two days of the year, right before the leaf opens. With a small yield, and a high demand, it remains one of the world's most rare teas. The 100% White Tea collection now features six alluring flavors, including Emperor's White Tea, Asian Jasmine White Tea, Orange Blossom White Tea, Ginger Peach White Tea, and the Honey Mango White Tea and Cucumber Mint White Tea.

get lost, get wellness and get clean® Stackable Tea Trios

These innovative tea trios feature three premium-cleansing teas for two-weeks worth of sipping to promote a healthy lifestyle. With get lost, each tin offers a tea blend to boost metabolism and energy while curbing cravings: get lean energizes the mind and body while eliminating excess water weight, get burning revs the metabolism and builds endurance, and get lost satisfies any sweet tooth to halt unnecessary cravings. With get clean, each tea tin suggests specific times for sipping and getting clean throughout the day: an AM TEA, to wake up and get clean, get clean, an ALL DAY TEA, to get clean anytime, and a PM TEA, to get clean at the end of the day. These Gluten Free, Kosher Certified herbal teas can be used alone or in conjunction with a cleansing program to help the body get back into balance. Each individual airtight compartment contains 14 natural, unbleached, round tea bags free of tags, strings and staples. All three tins, each with a lid of its own, snap together for ease of storage or pull apart for ease of portability and are perfect as a gift or trial size.

Biodynamic® Teas

This line of premium, organic teas is sourced from a variety of Certified Biodynamic® farms around the world that are committed to certain sustainable practices that improve the health of the farm's entire ecosystem. The collection of Biodynamic® teas includes Kosher certified, USDA Organic, Gluten Free,

Biodynamic® Ginger Tea, , Biodynamic® Moringa Mint and the Biodynamic® Hibiscus Tea. All Biodynamic® teas are Non-GMO Project Verified.

HiCAF® Teas

The Republic of Tea has introduced its first collection of premium, high caffeine, all-natural energy teas. Caffeine naturally occurs in tea leaves along with L-theanine (often credited with reducing stress). This combination creates a state of calm alertness. The Republic of Tea has intensified the effect by adding green tea extract, known to have more caffeine than coffee, so tea drinkers can quickly get a healthy jump on the day. This collection includes six innovative, Certified Gluten-Free flavors: Breakfast Black Tea, Caramel Black Tea, Pom-Berry Black Tea, Toasted Coconut Black Tea, Gingermint Green Tea, and Cinnamon Toast Black Tea.

Downton Abbey® Teas

Each of these all-natural calorie-free, gluten-free teas are inspired by the award-winning TV series and movie, Downton Abbey, which has entranced millions of viewers and become a global phenomenon. The collection is comprised of delicious options: English Rose Tea, Grantham Breakfast Blend, Downton Estate Blend, Mrs. Patmore's Pudding Tea, Bates' Brambleberry and Lady Cora's Evening Tea.

Cuppa Cake® Teas

The Republic of Tea's collection of Cuppa Cake Teas is a line of calorie-free, gluten-free teas inspired by delectable cake recipes, with rich aromas of baked goods fresh from the oven and other decadent, natural flavors sure to satisfy any sweet tooth. The collection is comprised of five flavors: Carrot Cake Tea, Strawberry Shortcake, Caramel Vanilla Tea, Lemon Chiffon Tea and, Gingerbread Tea.

Large Iced Tea Pouches

The Republic of Tea's Large Iced Tea Pouches are a collection of premium, large tea pouches that are perfectly portioned for easy to steep, healthy iced tea. These innovative teas allow for proper steeping and, once used, can be added to compost or soil to make gardens happy. The refreshing collection includes delicious flavors including, but not limited to: Ginger Peach Black Iced Tea, Hibiscus Sangria Herbal Iced Tea, Watermelon Mint Black Iced Tea, organic Strawberry Basil Green Iced Tea, Pineapple Orange Guava Green Iced Tea, organic Black Currant Rosemary Iced Tea, two Coconut Water Iced Teas, Berry Aloe Iced Tea, Blueberry Lavender Iced Tea, Keto-Friendly Sweet Black Iced Tea, Keto-Friendly Sweet Decaf Black Iced Tea, and Keto-Friendly Tropical Green Iced Tea.

Organic SuperHerb® Teas

The Republic of Tea's line of fortifying USDA organic SuperHerb® Teas are all-natural, caffeine-free, Certified Gluten-Free herbal teas that contain various nutrients and antioxidants. Each of these teas assist in attaining peak performance, strength, longevity and can be an easy and satisfying part of a daily wellness regimen. The collection is comprised of seven unique and innovative blends: organic Moringa, organic Baobab, organic Dandelion, organic Elderflower, organic Reishi Mushroom, organic Thai Ginger, organic Nettle, organic Milk Thistle, organic Peppermint, organic Fennel, and Vietnamese Cinnamon.

U•Matcha™ Teas

U•Matcha is unlike regular green tea; these tender, shade-grown leaves are ground to a fine powder. Instead of being steeped, U•Matcha teas are blended into water and sipped (ground powder and all). This exceptional tea is abundant in nutrients and has the balanced flavors of what is referred to as umami (literally, "yummy" in Japanese). Each U•Matcha tea from The Republic of Tea is Gluten-Free certified and is also ideal for cooking and baking. This enticing line of teas includes U•Matcha Natural, U•Matcha Ginger, and U•Matcha Chai.

Be Well® Teas

Be Well Teas is a line of wellness herb teas cultivated from caffeine-free South African Rooibos. The first of its kind, this innovative collection expertly blends Rooibos with an array of beneficial herbs to create a customized selection of healthful, yet flavorful teas. Each of the distinctive Be Well Teas is a unique blend tailored to specific health needs, including get protected®, get wellness®, get some zzz's™, get heart®, get happy®, and more.

Hibiscus Superflower® Teas

The Republic of Tea offers eight Hibiscus Superflower Teas. Each selection is an exotic herbal bouquet of premium African hibiscus, a “Superflower” that brews a rich, full-bodied cup and features remarkable flavor. Hibiscus Superflower Teas are made using premium African hibiscus, primarily from Nigeria.

Organic Superfruit™ Green Teas

The organic Superfruit Green Teas are made from a base of the finest China green tea expertly blended with Superfruits recognized for their superior flavor, reported health benefits and vibrant flavors. Deeply pigmented Superfruits like pomegranates, goji berries, blueberries and açai berries are featured in these USDA Organic teas.

Cuppa Chocolate Tea®

The Republic of Tea's Cuppa Chocolate Teas -- Coconut Cocoa Tea, Strawberry Chocolate, Red Velvet Chocolate, Peppermint Chocolate, Banana Chocolate -- do more than satisfy a sweet tooth. These unsweetened herbal teas, made from a base of rich rooibos and aromatic chocolate, are a treat for the senses. Each selection is like “dessert in a tea cup.”

Turmeric Stackable Tin

Turmeric, ginger and green tea have been reputed to support the body's response to inflammation so joints, ligaments and muscles can stretch more fully,* and the organic Turmeric Stackable Tin features fusions of these teas and spices for every time of day - a convenient trio of organic Turmeric Matcha, organic Turmeric Ginger Green Tea and organic Turmeric Cinnamon. Each section contains 12 round, natural tea bags.

Saffron Rose Tea

Known as the world's most expensive spice, saffron has been used for thousands of years in European, Indian, and Persian cuisine. Its unique sweet-savory flavor and distinct aroma elevates anything it is blended with. The Saffron Rose Path to Peace Herb Tea is a smooth, bright golden cup finished with the delicate, floral notes of fragrant rose petals for an ethereal sip. The varietal is certified gluten free and Kosher certified.

Calm Teas

In partnership with Calm, the leading mental wellness brand, this collection encompasses three delicious and functional blends - Focus, Relax and Rest - each formulated with a specific combination of soothing teas and herbs like Rooibos, Dandelion, Chamomile, and Lion's Mane, that contribute to mindfulness, relaxation and restful sleep. Each purchase comes with a complimentary 30-day trial to the Calm app and a custom meditation on the label.

Social Responsibility

The Republic of Tea is mindful of how its actions impact the greater community and actively supports organizations like Homeward Bound of Marin, Big Brothers Big Sisters of North Bay, Community Link, and The Global Alliance for Improved Nutrition (GAIN), which works towards access to nutritious, safe, and affordable food for all. The Republic of Tea also works to elevate the consciousness of sustainability; it is a member of the Ethical Tea Partnership, Upcycled Food Association, Climate Collaborative and

American Herbal Products Association. Ministers (employees) of The Republic of Tea volunteer for a local community non-profit organization as part of the Make a Difference Day program (two paid volunteer days per year).

Certifications

Certifications include Demeter USA Certified Biodynamic®, Gluten-Free certification, Non-GMO Project verification, OU Kosher certification, and USDA Organic certification.
